

## THE END OF MANDATES

(Mr. MASSIE asked and was given permission to address the House for 1 minute.)

Mr. MASSIE. Mr. Speaker, last month we ended the vaccine mandate for the military, but there are still many unscientific, illogical, and unconstitutional mandates for vaccines in this country.

If you watched C-SPAN last week, you saw 434 of us in here screaming, yelling, cheering, speaking—many of us unvaccinated. Most of us probably not boosted.

Why do we have a double standard?

Why do we make visitors of this country get vaccinated just to visit their friends and family?

Why are we separating families over this?

We need to end that mandate. We need to end the healthcare mandate. We need to end all of the mandates, and we need to do this now.

## THE SOUTHERN BORDER

(Mr. ROY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROY. Mr. Speaker, I guess the President of the United States was able to find the southern border on a map.

It took him 2 years to finally get down to the southern border, and what happens?

Everybody just goes around and cleans up everything that is going on in El Paso.

Let me tell you something: The people of Texas know the truth. In Texas we are dealing every single day with 6,000, 7,000, or 8,000 people crossing the border every day.

Now, with a House majority, we have got the will and we have got the power to do something about it. It is time we do something because the people of Texas are taking the brunt every single day.

There are still migrants that are being sold into the sex trafficking trade. There are still Americans who are dying from fentanyl poisonings.

No camera presence down in El Paso, no going down there for a show trip is going change the fact that Texans are struggling.

It is time right now for the House majority to do our job. We are going to have to stop funding a Department of Homeland Security that refuses to secure the border of the United States. We are going to do that this year.
